

PRODUCT:

# ENAMEL PAINT

ENAMEL PAINT  
VARIOUS  
COLORS

THE BASICS:

- ENAMEL PAINTS are used to touch up OSP, utility equipment, vehicles, and other areas that need restoring to like-new condition.
- This durable, fast-drying enamel paint resists fading, chalking, and peeling even with extended outdoor exposure. It also resists scratches, cracking, and chipping.
- There is NO messy clean-up because you apply ENAMEL PAINT with an easy-to-use aerosol can. This fast-drying paint gets vehicles and equipment back in use with minimal downtime.
- ENAMEL PAINT protects against gas, rust, and corrosion. Use it on metal, wood, and most plastics. It is heat resistant up to 300°F.
- Use this premium-grade paint anywhere maximum coating performance is needed. It has been formulated for general purpose applications - indoors or outdoors.

APPLICATIONS:

Use ENAMEL PAINT indoors or outdoors on all kinds of equipment and vehicles. It is safe for most surfaces including:

- Cross-connect boxes
- Wood
- Metal
- Most plastics
- Pedestals
- Metal boxes
- Transformers

FEATURES	HOW YOU BENEFIT
Excellent for touching up equipment	Keeps OSP, utility equipment, and vehicles rust-free and professional looking
Gives excellent coverage. Resists abrasion, rust, and most chemicals	Hides or prevents nicks and scratches. Covers graffiti marks caused by vandals
Available in many colors including Clear Acrylic	An excellent color match for most equipment and vehicles
Good general-purpose paint	Use on wood, metal, and most plastics indoor or outdoor
Paints are lead-free, contain NO methylene chloride and are ozone safe	Compliant with regulations
Available in 16 oz aerosol cans	Quick and easy to use
