

PRODUCT:

K-9 STOPPER

K-9 STOPPER

4017

THE BASICS:

- Protect your employees with this highly-effective repellent that stops attacking dogs in their tracks. **K-9 Stopper** is in an aerosol container that sprays accurately up to 10 feet.
- Bites from dogs and other animals not only are painful, they can lead to other medical problems. Giving employees the security of knowing they can protect themselves increases their productivity and eliminates loss of work time.
- Each can of **K-9 Stopper** has a quick-aim safety cap and a self-contained belt clip for quick access when the need arises. These products can stop vicious dogs anywhere.
- **K-9 Stopper** contains capsaicin, a medically safe substance that temporarily subdues attacking dogs with no lasting aftereffects. For best results, spray **K-9 Stopper** directly into the face and eyes of the attacking dog.

Use K-9 Stopper when working in outdoor locations where dogs may pose a danger while performing work tasks.

APPLICATIONS:

FEATURES	HOW YOU BENEFIT
