Safety Data Sheet (SDS)

SECTION I - IDENTIFICATION

Product Name: Poison Oak & Ivy Block
Product No.: 40203
Manufacturer: Rainbow Technology Corporation 1-800-637-6047
Contact: Larry Joe Steeley, Jr.
Emergency Phone No. (24 Hrs.): CHEM-TEL 1-800-255-3924

SDS Issue Date: November 22, 2019

SECTION 2: HAZARDS IDENTIFICATION

Emergency Overview

OSHA Regulatory Status: Consumer Product as defined by the U.S. Consumer Product Safety Act which are used as intended (typical consumer duration and frequency) are exempt from the OSHA Hazard Communication Standard.

WHMIS: Not used to WHMIS classification

Principle Routes of Exposure: None reasonably foreseeable

General Hazards: None

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
Safety Data Sheet (SDS)

SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

Hazardous ingredients: None

SECTION 4: FIRST AID MEASURES

General advice: No Hazards which require first aid measures. When symptoms persist or in all cases of doubt seek medical attention.

Eye Contact: Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present after 5 minutes then continue rinsing. If symptoms persist, call a physician.

Skin Contact: If skin problems occur, discontinue use. If symptoms persist, call a physician.

Ingestion: Not an expected route of exposure

Protection of First-aiders: Use personal protection equipment

Notes to physician: Treat symptomatically

SECTION 5: FIRE-FIGHTING MEASURES

Flash Point: Not Applicable (Non-Flammable)

Suitable Extinguishing Media: Dry Chemical, CO2 water spray or alcohol-resistant foam.

Extinguishing media which shall not be used for safety reasons: No Information available.

Special Hazard: None known based on information supplied

Special protective equipment for fire-fighters: As in any fire, wear self-contained breathing apparatus and full protective gear.

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal precautions: None under normal use conditions

Advice for emergency responders: Use personal protective equipment

Environmental precautions: Household: Do not discharge product into natural waters without pre-treatment or adequate dilution.
Non-Household: Should not be released into the environment.

Methods for containment: Non-Household: Prevent dust cloud. Prevent further leakage or spillage if safe to do so.

Methods for Cleaning up: Non-Household: Clean up promptly by scoop or vacuum. Keep in suitable, closed containers for disposal. Prevent product from entering drains.

SECTION 7: HANDLING AND STORAGE

Advice of safe handling: Keep out of reach of children. Observe label precautions.

Technical measures/storage conditions: Keep out of the reach of children. Keep containers tightly closed in a dry, cool and well-ventilated place.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure Guidelines: Exposure guidelines are not relevant when product is used as intended in a household setting.

Engineering Measures: Not applicable

Personal Protection Equipment

Eye Protection: Provide eye protection based on risk assessment
Hand Protection: For prolonged & repeated exposure use protective gloves
Skin & Body Protection: For prolonged & repeated exposure use protective clothing
Respiratory Protection: Base respirator selection on a risk assessment
Thermal Hazards: Not applicable

Hygiene measures: None under normal use conditions

Environmental Exposure Controls: (See Section 6)

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.

## SECTION 10: STABILITY AND REACTIVITY

- **Reactivity:** None under normal use conditions.
- **Stability:** Stable under normal conditions
- **Hazardous Polymerization:** Hazardous polymerization does not occur
- **Hazardous Reactions:** None under normal conditions
- **Materials to Avoid:** Avoid Oxidizers
- **Hazardous Decomposition Products:** None under normal use

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
SECTION 11: TOXICOLOGICAL INFORMATION

Product information

**Acute toxicity:** Product does not present an acute toxicity hazard based on known or supplied information

**Inhalation:** No known effect based on information supplied

**Skin contact:** No known effect based on information supplied

**Ingestion:** No known effect based on information supplied

**Eye contact:** No known effect based on information supplied

**Chronic toxicity:**

**Corrosivity:** No known effect based on information supplied

**Sensitization:** No known effect based on information supplied

**Neurological Effects:** No known effect based on information supplied

**Reproductive toxicity:** The product contains no substances known to be hazardous to health in concentrations which need to be taken into account

**Mutagenic Effects** There are no known mutagenic chemicals in this product

**Developmental Toxicity:** No known effect

**Teratogenicity:** No known effect

**Carcinogenicity:** Contains no ingredients above reportable quantities listed as carcinogen

SECTION 12: ECOLOGICAL INFORMATION

**Ecotoxicity**

**Acute toxicity**

**Persistence & degradability:** No information available

**Bioaccumulative potential:** No information available

**Mobility:** No information available

**Other adverse effects:** No information available

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
SECTION 13: DISPOSAL CONSIDERATION

Waste from Residues / Unused Products:

Household: Do not discharge product into natural waters without pre-treatment or adequate dilution.

Non-Household: Should not be released into the environment. Dispose of in accordance with local regulations.

Contaminated packaging: Dispose of in accordance with local regulations.

California Hazardous Waste Code: 331 (non-household setting)

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
SECTION 15: REGULATORY INFORMATION

U.S. Federal Regulations

SARA 313
Not applicable for consumer use

SARA 331/312/Hazard Categories
Acute Health Hazard No
Chronic Health Hazard No
Fire Hazard No
Sudden Release of Pressure Hazard No
Reactivity Hazard No

CERCLA
Not applicable for consumer use

Food and Drug Administration (FDA)
The product described in this Material Safety Data Sheet is regulated by the Federal Food, Drug and Cosmetics Act and is safe to use as per directions on container, box or accompanying literature (where applicable)

Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs) (see 40 CFR 61)
Not applicable for consumer use

Clean Water Act:
Not Applicable for consumer use

U.S. State Regulations:
California Proposition 65:
This product is not subject to warning label under California Proposition 65

International Regulations

Canada

WHMIS Hazardous Class
Not subject to WHMIS classification

This product has been classified in accordance with the hazard criteria of the Controlled Products Regulations (CPR) and the MSDS contains all the information required by the CPR. This product is regulated by the Food and Drug Administration of Health Canada and is therefore exempt from the requirement of CEPA.

International Inventories

TSCA
Product is a personal care product and regulated under FDA

DSL/NDSL
Canadian Domestic Substances List/Non-Domestic Substances List

The above information may be based in part on information provided by component suppliers and is believed to be correct as of the date hereof. However, no warranty of merchantability, fitness for any use, or any other warranty is express or is to be implied regarding the accuracy of these data, the results to be obtained from the use of the material, or the hazards connected with such use. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modification of the information, we assume no responsibility for the result of its use. This information and material furnished on the condition that the person receiving it shall make his/her own determination as to the suitability of the material for his/her particular purpose and on the condition that he/she assume the risk of his/her use thereof.
