

PRODUCT:

# CONTACT CLEANER

THE BASICS:

- Use CONTACT CLEANER for cleaning contacts or other areas where fast evaporation, non-flammability, and no residue are desired. This fast-acting cleaner and degreaser contains high-purity solvents that meet government regulations and do not contain ozone depleting compounds or carcinogens.
- CONTACT CLEANER penetrates and removes oils, light greases, flux, dirt, and similar soils from electrical, electronic telecommunications equipment, switching devices, relays, and other equipment.
- Because it has no flash point, has dielectric strength, and is non-corrosive, CONTACT CLEANER is safe for employees and equipment.

APPLICATIONS:

CONTACT CLEANER effectively removes oils, light greases, and other contaminants from metal-to-metal contacts in many areas including:

- Electrical Equipment
- Switching Devices
- Electronic Equipment
- Telecom Equipment
- Relays

NOTE: The extension tube provided with CONTACT CLEANER allows for more directed spray in hard-to-reach or small areas where more isolation of spray is needed. Some cleaners may attack plastic surfaces. Test all plastic items for compatibility before use.

FEATURES	HOW YOU BENEFIT
Safe on metals	Will NOT corrode or otherwise damage OSP equipment or sensitive electronic equipment where plastics are NOT a concern
No flash point, non-corrosive	Safe for personnel and metal-to-metal cleaning
Dielectric strength	Employee safety
Fast and effective cleaning action	Quickly removes oils, light greases, flux, dirt, and other soils
Fastest evaporating of all cleaners	Requires no wipe down, no downtime, and leaves no residue

RAINBOW

TECHNICAL HIGHLIGHTS:

Contact Cleaner was tested per (Bellcore) Telcordia specifications.  
Cleaning Effectiveness - Excellent  
Flash Point - None  
Flame Extention - 0"  
Residue - None  
Copper Mirror Corrosion - None  
Evaporation Rate (HCFC 141b=1) - 1.8

RELATED PRODUCTS:

Rainbow Technology offers a comprehensive line of products to the utility and telecommunications industries. Users of CONTACT CLEANER often find these other Rainbow products helpful too.

- Stormy® All Weather Corrosion Protector (4401)
- Cleaning Swabs and Wipes - Premoistened or Dry (many types available)
- KNUCKLES Hand & Tool Cleaning Towels (79315, 79316)
- Multi-Purpose Lubricant (4403)
- Rainbow Air (4028)
- Silicone Spray (85000)
- Clean & Lube (4410)
- Precision Cleaner (41030)
- Envi-ro-tech™ PC Pen (41040)
- Fast-Dry Contact Cleaner (87020)

MATERIAL SAFETY DATA SHEET:

This product is only for sale to and use by service personnel. MSDS available on request.

PACKAGING:

PRODUCT NUMBER	CONTAINER SIZE	UNITS/CASE	CASE WEIGHT	CASE SIZE L x W x H
4100	16 oz Aerosol	12	14 lbs	11" x 8.5" x 10.5"

ANSWERS TO YOUR QUESTIONS:

Do you have a question about any Rainbow Technology product? Because we've been supplying the utility and telecommunications industries since 1971, our technical support team has the expertise to provide answers and solutions.
