

PRODUCT:

CLEANER & DEGREASER

CLEANER & DEGREASER

4305

THE BASICS:

- This **water-soluble, highly concentrated citrus** formula of CLEANER & DEGREASER makes it ideal for cleaning tools and equipment. Its maximum cleaning power removes cable filling compounds, grease, oil, grime, printing inks, and much more.
- The **non-corrosive** formula of CLEANER & DEGREASER is safe for painted and unpainted metals.
- The **biodegradable** formulation of CLEANER & DEGREASER contains NO CFCs, 1,1,1 Trichloroethane, or Methylene Chloride.
- CLEANER & DEGREASER is easy to use. Just spray it liberally on the areas to be cleaned and wipe with a clean, dry cloth or rinse with water.

APPLICATIONS:

Because CLEANER & DEGREASER is highly concentrated, it is ideal for dislodging hard-to-remove substances from surfaces of such items as:

- Cables
- Chains
- Engines
- Fleet Maintenance Areas
- Fuse Holders
- Gauges
- Gears
- Gold and Silver Contacts
- Hand Tools
- Hoists
- Locks
- Motors
- Relays

NOTE: Some cleaners may attack plastic surfaces. Test all plastic items for compatibility before use.

FEATURES

HOW YOU BENEFIT

| | |
|--|---|
| Citrus-based solvent | Excellent cleaning properties |
| Highly concentrated spray | Strong enough for small amounts to tackle the toughest cleaning tasks |
| All-natural, water-soluble, and biodegradable | Will NOT harm the environment |
| Contains NO caustic, acidic, chlorinated or petroleum-based solvents | Safe for equipment and personnel. Non-corrosive formula with a mild pH of 7.5 |

RAINBOW

TECHNICAL
HIGHLIGHTS:

Cleaning Effectiveness: Excellent
Flash Point: 120°F

Evaporation Rate: Fast
Dielectric Strength: 9,000 Volts
