MULTI-BUG III

THE BASICS:

- MULTI-BUG III contains very effective active ingredients that provide immediate knockdown and a long-lasting residual insecticide for up to four weeks.

- MULTI-BUG III kills existing infestation and prevents reinfestation in many areas including manholes, hand holes, storerooms, and workrooms.

- This effective water-based formula* will not damage carpets, rugs, floors, or baseboards. It is safe for indoor and outdoor applications.

- Close range, fine mist, surface spray.

- MULTI-BUG III provides a insect-free environment and reduces lost time caused by injuries and accidents.

* Do not spray in or on electrical equipment. For those applications use Multi-Bug Killer (4336).

APPLICATIONS:

Use MULTI-BUG III for broad spectrum surface insect control on these listed pests:

- Ants
- Bees
- Carpenter ants
- Centipedes
- Cockroaches
- Crickets
- Firebrats
- Fleas
- Flies
- Gnats
- Grain beetles
- Ground beetles
- Mole crickets
- Moths
- Pillbugs
- Scorpions
- Silverfish
- Sowbugs
- Spiders
- Ticks
