QUICK SEAL
EXPANDING POLYURETHANE FOAM SEALANT

The Basics:
- QUICK-SEAL is a one-component expanding polyurethane foam sealant conveniently packaged in an easy-to-use aerosol can. QUICK-SEAL is specially formulated so that it will cure even when exposed to moisture present in air.
- Unlike caulks and other sealants, QUICK-SEAL expands to fill the gap or hole. When cured, the foam assumes the shape of the cavity and forms an air-tight seal. It does not shrink and will retain its sealing properties permanently. QUICK-SEAL serves two important functions. First as a sealant, and second as an insulation media to protect from moisture and temperature extremes.
- QUICK-SEAL sticks to most surfaces including wood, metal, masonry, glass, and most plastics. The formulation contains no solvents and will not dry out, crack, or shrink. Because it is semi-rigid when cured, it withstands expansion and contraction, without pulling away as conventional sealants do.

Applications:
Use QUICK-SEAL for:
- Cable risers
- Conduits
- Abandoned gas lines
- Grommet holes
- Voids
- Service Entry points
- NOT for use inside electronic cabinets or cross connects

Only use in well-ventilated spaces. Does not stop water.

Approvals/Standards/Classifications:
- ASTM E84/UL 723.............. UL Classified File #R13919
- CAN/ULC S102 ............... ULC Classified File #R13919
- CCMC.......................... CCMC #13626-L
- NFPA 30B ..................... Level 2 Aerosol
- VOC Content (calculated).... 165 g/L or 16%
- ULe GREENGUARD........... Gold Certification

FEATURES

<table>
<thead>
<tr>
<th>FEATURES</th>
<th>HOW YOU BENEFIT</th>
</tr>
</thead>
<tbody>
<tr>
<td>Aerosol delivery system</td>
<td>No need for caulking guns or outside power source</td>
</tr>
<tr>
<td>Provides both insulation and sealant benefits</td>
<td>Caulk has no insulating properties</td>
</tr>
<tr>
<td>Strong adhesion qualities</td>
<td>Sticks and bonds to most surfaces</td>
</tr>
<tr>
<td>More economical than caulks</td>
<td>One 12 oz can yields about 4 gallons of cured foam equivalent to about 20 (11oz) tubes of caulk</td>
</tr>

Rainbow Technology offers a comprehensive line of products to the utility and telecommunications industries. Users of QUICK-SEAL often find these other Rainbow products helpful too.

- Clear RTV Silicone Sealant (88000)
- Duct Sealing Kit (Dual Barrel) (79517)
- Duct Sealing Kit (Single Barrel) (79515)
- Duct Sealing Injection Gun (79519)
- Q-Pak Duct Sealing Kit (79528)
- Q-Pak Injection Gun (79521)
- Firestop Kit (79508)
- B-Sealant (79500)
- KNUCKLES Hand & Tool Cleaning Towels (79315, 79316)
- Pole Setting Foam (79701, 79702, 79703, 79705, 79706, 79707, 79709)
- RE-GEL™ (79474, 79487)

This product is only for sale to and use by service personnel. SDS available on request.
