Efficient and easy to use, this non-conductive, non-corrosive cleaner has NO fire or flash point and evaporates quickly with NO residue. It is excellent for removing grease, moisture, and loose contaminants from non-energized motors and electrical cables.

HD CLEANER is very effective for removing grease, oil, dirt, moisture, and other foreign substances. Dirty electrical equipment can result in high electrical stress and premature equipment failure.

This stable, fast-acting solvent was specifically formulated for really tough cleaning and degreasing jobs on dirty, corroded machinery and electrical equipment.

The pressurized can with extension tube provides a powerful flushing effect as well as a solvent effect to loosen and remove contaminants. HD CLEANER gets equipment back into service with a minimum of downtime and effectively cleans medium voltage cables prior to splicing and termination.

HD CLEANER is so powerful and versatile that it can be used on many types of electrical equipment including:

- Air conditioning systems
- Air Tools
- Alarms
- Antenna insulators
- Coils
- Compressors
- Conduits
- Electric motors
- Electrical cables
- Fans and blowers
- Generators
- Material handling equipment
- Mechanical brakes and clutches
- Metal contacts
- Motor housings
- Parts
- Switchgear
- Tools

NOTE: Some cleaners may attack plastic surfaces. Test all plastic items for compatibility before use.

Rainbow Technology offers a comprehensive line of products to the utility and telecommunications industries. Users of HD CLEANER often find these other Rainbow products helpful too.

- Stormy® All Weather Corrosion Protector (4401)
- Clean & Lube (4410)
- KNUCKLES Hand & Tool Cleaning Towels (79315, 79316)
- Multi-Purpose Lubricant (4403)
- Multi-Purpose Terminal Brush (4494)
- Rainbow Air (4028)
- Silicone Spray (85000)
- Cleaning Swabs & Wipe - Premoistened or Dry (many types available)
- Corrosion Stop (86000)
- Corrosion Wash (4495)
- CP Cleaner (42150)
- CP Wipes (4215)
- CP Wipe Kits (42151, 42152)

This product is only for sale to and use by service personnel. MSDS available on request.
